**Attachments:** ATT00001.txt

Dear colleagues,

Hope you are doing well !

First of all, we're delighted to announce that our **Transport and Geography Commission Website** is now officially launched!

Please click this link to check it out. <http://igu-transport.org> Feel free to share it with your colleagues/networks and anyone who may be interested to join as a member.

This website is created as a platform to share and disseminate transport geography research and activities at a global level in conjunction with a wide range of national transport geography research groups and other IGU Commissions.

Meanwhile, we're **Calling for Photos** which reflect the wide-ranging scenes of transport geography in different parts of the world. We aim to select 20 best photos from all submissions. These 20 selected pictures will be displayed on the home page as a welcome component to our website and reflecting the diverse nature of our group.

The deadline of submission is Friday 18th September 2020. Please any member who is interested to participate send a maximum of two best photos (at least 72 dpi) to me with your full name and a short caption of each photo.

Looking forward to receiving your great photos !

Wish you all have a lovely weekend.

Best wishes  
Chia-Lin

Secretary, IGU Commission on Transport and Geography (2020-2024)  
4<sup>th</sup> September 2020

**Dr Chia-Lin Chen**

Lecturer in Urban and Regional Planning | Department of Geography and Planning | University of Liverpool, UK
