

The Oral Presentation Programme organised under the Transport and Geography Commission The 34th International Geographical Congress (16-20 August 2021) - revision

Date	Slot (parallel sessions)	Slot time	Session	No	Title	Presenter	Order	Chair	
16 Aug 2021 (Mon)	1	10:00-11:00 (GMT)	Transport Geography and Climate Change	2621	(R)evolution on the car market in Poland and its environmental consequences	Bartosz Wojtyra	1	Tim Ryley	
				3392	Hybrid and electric cars in Poland: their users and potential buyers	Wojciech Dyba	2	Tim Ryley	
				3071	Decarbonising the air transport industry: A temporal and spatial perspective	Tim Ryley	3	Tim Ryley	
				3136	Geographies of transport in the new climatic regime	Tim Schwanen	4	Tim Ryley	
	2	11:15-12:15 (GMT)	Urban Transport Geography	3539	Excess commuting in medium-sized cities of China: A comparative analysis of Dalian and Shenyang	Jiangbo Wang	1	Richard Knowles	
				3490	Is online shopping unlikely to reduce shopping trips for car owners? A propensity score matching analysis	Kunbo Shi	2	Richard Knowles	
				2234	Transport and strategic land use planning - challenges for the sustainability of cities	Richard Knowles	3	Richard Knowles	
				1946	Air Quality Crisis: Is Banning Diesel Vehicles the Answer?	Mengqiu Cao	1	Maria Attard	
	3	15:00-16:00 (GMT)	Transport and the Environment	1390	Community-building through sustainable transport solution development in Trinidad and Tobago: The role of web-based social geo-communication	Julia Kotzebue	2	Maria Attard	
				1631	A Participatory Active Travel Workshop Methodology To Assess Determinants For Walking And Cycling At University Campus In Malta	Maria Attard	3	Maria Attard	
				1539	Relativity of change in potential accessibility, settlement network structure, staging of the road network development, and form of distance decay	Piotr Rosik, Sławomir Góliszek, Patryk Duma,	4	Maria Attard	
				2031	Evaluating the Social Impacts of Australia's new Demand-Responsive Transit System Trials	Benjamin Kaufman	1	Stephen Rule	
17 Aug 2021 (Tue)	4	10:00-11:00 (GMT)	Transport and Social Equity: Pathways to Fair, Just, Inclusive and Accessible Mobilities (Slot 1)	3187	Access to public transport and individuals with reduced mobility: A critical analysis	Fahad Albahhal	2	Stephen Rule	
				1196	Commuter train dysfunction in Cape Town	Stephen Rule	3	Stephen Rule	
				2656	Personal car market and socio-economic regional disparities. The case of Poland	Bartłomiej Kolsut	1	Pengjun Zhao	
	5	11:15-12:15 (GMT)	Transport and Social Equity: Pathways to Fair, Just, Inclusive and Accessible Mobilities (Slot 2)	2775	Exploring school commuting inequities and joint travel mode decision in the case of Shenzhen, China	Zuopeng XIAO	2	Pengjun Zhao	
				2514	Social Equity and Impact Evaluation Based on Urban Transport Accessibility Quantitative Measure —Evidence From	Cheng Shi	3	Pengjun Zhao	
				3687	Has Covid-19 made transport inequity worse? Evidence from China	Pengjun Zhao	4	Pengjun Zhao	
	6	12:30-13:30 (GMT)	Transport and Social Equity: Pathways to Fair, Just, Inclusive and Accessible Mobilities (Slot 3)	2243	Measuring the contribution of Customized Bus to the equitable accessibility of public transit services	Kai Liu	1	Mengqiu Cao	
				2256	Public transport equity under different scenarios: the case of Gdańsk, Poland	Adam Radzimski	2	Mengqiu Cao	
				1906	The Journey Experience of Visually Impaired People on Public Transport	Mengqiu Cao	3	Mengqiu Cao	
	7	15:00-16:00 (GMT)	Transport and Social Equity: Pathways to Fair, Just, Inclusive and Accessible Mobilities (Slot 4)	1894	Connected and autonomous vehicles and transport equity: A quantitative study examining public perceptions referring to cybersecurity and privacy	Na Liu	1	Alexandros Nikitas	
				3391	Towards inclusive transport landscapes: Re-visualising a Bicycle Sharing Scheme in Santiago Metropolitan Region	Veronica Saud	2	Alexandros Nikitas	
				3492	Does ICT increase the space-time flexibility of shopping activities? Evidence from Chengdu, China	Rui Shao	3	Alexandros Nikitas	
18 Aug 2021 (Wed)	8	11:15-12:15 (GMT)	Be a Hub or Die' - The Polarizing Transport Connectivity and its Impacts in Megacity Regions	2620	Older People and the Automated, Connected and Digitised Transport of the Future	Alexandros Nikitas	4	Alexandros Nikitas	
				2742	To Bridge or not to bridge? Connectivity on the Sino-Russian border	Ekaterina Mikhailova	1	Chia-Lin Chen	
				2431	The public transport and land use planning nexus: The case Harare, Zimbabwe and Bloemfontein and Mbombela, South Africa	Abraham MATAMANDA	2	Chia-Lin Chen	
	9	12:30-13:30 (GMT)	Long-distance Travel Issues	2316	Political economy of transport investment for left-behind places in Northern England – A case study of the South Fylde Line	Chia-Lin Chen	3	Chia-Lin Chen	
				1571	High-speed Rail in China: Geographic effects and Development Experience	Fengjun Jin	1	Frédéric Dobruszkes	
				3519	Love and hate from the sky, impact of COVID-19 on Indonesia's Spatial Economy through air transportation	Nuzul Achjar, Tri Tjahjono, Anc	2	Frédéric Dobruszkes	
	19 Aug 2021 (Thu)	11	11:15-12:15 (GMT)	Mobility-as-a-Service: Shaping the Future of Cities (Slot 1)	2027	European airlines serving third markets: Revisiting the use of 7th and 9th air freedoms based on airlines' ownership	Frédéric Dobruszkes	3	Frédéric Dobruszkes
					3628	Mobility-as-a-Service (MaaS) and rail operators: future opportunities and challenges	Amparo Moyano	1	Ana Condeço Melhorado
					3641	Mobility preferences and willingness to pay for MaaS	Ana Condeço Melhorado	2	Ana Condeço Melhorado
		12	12:30-13:30 (GMT)	Mobility-as-a-Service: Shaping the Future of Cities (Slot 2)	1405	The debate around mobility as a service: What are we agreeing and disagreeing on?	Ana Condeço Melhorado	3	Ana Condeço Melhorado
					2171	Understanding perceptions of mobility as a service: User segmentation and its role in concept adoption and modal choice	Elena Alyavina	1	Alexandros Nikitas
					1315	Carsharing for sustainable mobility: Measuring the impact of 14 services on mobility practices, car equipment and kilometres travelled in France	Marion Lagadic	2	Alexandros Nikitas
20 Aug 2021 (Fri)		10:00-11:00 (GMT)	Annual General Meeting No 1 (Please feel free to join one of the two AGMs suitable for your time zone)	2665	Can bike-sharing still be part of the future of shared use mobility?	Alexandros Nikitas	3	Alexandros Nikitas	
				17:00-18:00 (GMT)	Annual General Meeting No 2 (Please feel free to join one of the two AGMs suitable for your time zone)			Frédéric Dobruszkes
